

DIVISION II - FLOWER DESIGN

“MOUNTAIN SPLENDOR”

SECTION I TRI-COLOR

Class 1 White Top Splendor

All fresh mass arrangement using only flowers with white petals and green foliage. No accessories, or artificial, treated or dyed materials may be used.

SECTION II DESIGNER'S CHOICE

Class 2 Iron Mountain Splendor

Dried and/or fresh materials may be used, and accessories in keeping with the theme are allowed. These may include the container, or elements added to the arrangement to reflect the theme.

SECTION III WINDOW BOXES

Class 3 Appalachian Splendor

All designs must be in a 24” rectangular window box. Live plant material should be the main focus of the arrangement in terms of quantity; however, fruits, vegetables, and natural dried materials are allowed. The finished window box should not weigh more than 40 lbs. when watered and should not leak.

SECTION IV CHILDREN'S EXHIBITS

Class 4 Celebrating Our Mountains

Children may use fresh and/or dried materials to create an arrangement depicting the celebration of life in the mountains, such as recreational activities, history, or home life. Accessories are permitted and the use of apples in the arrangement is encouraged.

The flower show is open to anyone interested in entering an exhibit, and members of the public are encouraged to participate. You do not have to be a member of the Chilhowie Garden Club. Exhibitors may only enter one arrangement in each class. In all arrangements, no artificial flowers or plants may be used. Fresh and dried materials cannot be treated or dyed, but must remain natural.

Note that the Apple Award will be given in any class which includes the use of apples in the arrangement.
