To: All Participants and Visitors,

Welcome to the 2021 Chilhowie Community Apple Festival. We are very excited to be able to have the festival this year after not being able to have it last year due to Covid restrictions. Our theme for this year's festival is "Flavors of Fall".

Everyone has something that they associate with Fall, whether it is the smell of falling leaves, a crisp fall morning, pumpkins and fodder shocks, a football game, or the beauty of the turning leaves on a mountain hillside. We hope that our festival helps rekindle the pleasant "flavors" of falls gone by and creates new "flavors" to savor in the future.

We hope that you enjoy visiting our festival and our community. We look forward to seeing you again at the next Chilhowie Community Apple Festival.

Sincerely,
Rebecca Wilkinson-Smith
Vicki Wilson
Chilhowie Community Apple Festival Co-Presidents
